

## **AUTOMOTIVE MACHINIST/FITTER TURNER**

Franklin Engineering Services Ltd is looking for an experienced trades person, automotive machinist or fitter turner with experience in the heavy diesel or automotive industry who would enjoy a wide and varied role in a very busy machine shop in Pukekohe.

The applicant should be skilled in a wide range of areas including but not limited to engine repairs, reassembly and testing, machining, fitting and welding.

The ideal candidate will:

- Be preferably Trade Qualified
- Be able to work in a team and work autonomously
- Have strong motivation and work ethics
- Have a can do attitude
- Will have worked on engines previously
- You will also need to have a complete tool kit
- Be a fast learner (training will be supplied to the correct candidate)
- Clean and tidy work ethics
- Current clean NZ driver license

Applicants for this position should have NZ residency or a valid NZ work visa.
